

Learn woke up,
stretched, and looked
outside.

“Oh no... where are all
the colors?”

Everything was gray!

POOF!

**A magic paintbrush
appeared.**

**“Learn! The colors are
gone. You must bring them
back!”**

A sad apple
whispered, "I miss my
color..."
"RED!" said Learn.
The apple turned
bright red.

The sleepy sun
yawned.

“You are
YELLOW!”

The sky lit up
warm and bright.

Learn smiled
proudly.
“BLUE—like me!”
The sky turned
bright blue.

“Ribbit... I feel dull...”

“GREEN!”

The frog jumped high!

A shy tiger hid.
“You are ORANGE!”
“ROAR!” the tiger smiled.

A butterfly
fluttered
slowly.
“PURPLE!”
It sparkled
beautifully.

A flower drooped
sadly.
“You are PINK!”
It bloomed
bright and pretty.

A bear looked
confused.

“I forgot my color...”

“BROWN!”

“GRRR—thank you!”
said the bear.

A sneaky cat
tiptoed.
“You are
BLACK!”
The cat purred
happily.

A cloud looked
dusty.

“You are
WHITE!”

It became soft
and fluffy.

“Wait... I’m supposed
to be gray!” said the
elephant.
Learn laughed. “That’s
right—GRAY!”
The elephant smiled
big.

A crown lay on the
ground.
“You are GOLD!”
It shined like treasure.

A robot beeped
sadly.

“System color
missing...”

“SILVER!”

“Beep! I feel
shiny!”

A fish swam slowly.
“You are CYAN!”
Splash! It swam fast again.

A paint blob looked dull.
“You are MAGENTA!”
It became super bright.

A ball rolled slowly.
“You are LIME!”
It bounced super fast.

A kite fell from the sky.
“You are INDIGO!”
It flew high again.

A balloon sagged.
“You are VIOLET!”
It floated up high!
!

The sand looked dull.
“You are BEIGE!”
The beach sparkled warmly.

The ocean looked tired.
“You are TURQUOISE!”
Waves danced again.

A fancy hat
whispered,
“I used to look
cool...”
“You are MAROON!”
“Now I’m stylish
again!”
!

A small boat drifted slowly.
“You are NAVY!”
It zoomed across the water!

All the colors swirled together...
A giant rainbow filled the sky!
“WE DID IT!”

“Can you say the colors with me?”
